

Leadership

Skills for the 21st Century

Course Overview - (10-12 hours)

The **CBP™ Leadership Certification** will introduce you to the requirements of leaders and assist you in developing the skills and characteristics needed for effective leadership. The Leadership module covers all the essentials of today's leaders. This is a hands-on and interactive module that uses real life scenarios to develop practical leadership skills. All students are eligible to take the **CBP™ Leadership** exam.

- Introduction to Effective Leadership
- Choosing the appropriate Leadership style
- Developing a Vision & a Mission
- Effective Decision Making
- Team Building for Leaders
